Motion: I move to approve #21-26W – 325 Main Street, Town Softball Field – Owner: John Elsesser; Town of Coventry; Agent: Todd Penney, PE – grading, minor storm water management, and erosion and sediment controls to support the construction of a Town Softball Field

With the following conditions:

1. Hold a preconstruction meeting with the applicant and any other subcontractors prior to the start of activities to review construction sequencing.

2. Inspection erosion and sedimentation control prior to the soil disturbances, except for what is necessary to install said measures.
3. The applicant/owner shall submit to the Wetlands Agent a proof of inspection for each storm water mitigation feature once a year in the spring on a form to be provided by the Town of Coventry Wetlands Staff.
4. Additional erosion and sedimentation controls maybe required as site conditions/weather warrant by the Wetlands Agent staff.

By: Choate

Seconded: Norman

Comments: Choate said that it improves the area so much from what it is now. She likes the fence and the vegetative buffer. Norman said she likes the raingarden and the cleaning up of the trash.
