Subject: Landfill venting

Importance: High

Current Funding Allocation

STEAP Grant	\$128,205
<u>TC Appropriation</u>	<u>\$75,000</u>
Total:	\$203,205

Sunset Valley Base Bid:	\$186,600
<u>Bid Alternate 1</u>	<u>\$53,800</u>
Total:	\$240,400

Deficit: \$37,195.

NOTE: I Highly recommend a construction contingency budget be allocated to this project given the underground unknowns of this project at a minimum of 5% or \$12,020. This contingency would only be necessary if conditions warrant. Total deficit with contingency is \$49,215.
