Re: Resignation Effective April 1, 2026

After over 30 years of public service to the citizens and the Town of Coventry, and due to personal travel schedule and impending medical issues, I hereby resign my elected position on The Coventry Zoning Board of Appeals effective April 1, 2026.

It has been an honor to have been an elected and appointed official on various Boards and Commissions for a long time.

My best to the remaining ZBA members. To be fair to the ZBA, they would best be served by having a full-time replacement for my position.
