

Thank you for subscribing to receive news of the Coventry Farmers' Market for 2016 and beyond. The look of this newsletter will evolve over time as we develop professional-quality graphics and launch our other communication initiatives, but until then we are grateful for your interest as we launch this first issue. We will be in touch periodically as plans coalesce.

We hope you will attend our **second community forum** on Wednesday, June 3, 2015 at 7 PM at the Town Hall Annex, 1712 Main Street, Coventry. We will share feedback gathered from the first forum in May and map out next steps. Your participation will help shape the new market!

Farmers' markets have become vitally important to Connecticut's agricultural economy over the past 20 years, as reported in a recent article in the *Norwich Bulletin*. The article mentions Coventry's plans to move forward with the next chapter of our market. Read it [here](#).

Please encourage your friends to [subscribe](#) to this newsletter to help us build awareness. Word of mouth and the power of social media will be key to our early success. Please check in on our [web page](#) periodically as updates and links to resources will also be added there.

Thanks, and see you soon!
