

Coming June 2016!

The 2016 Market has a **new logo** that creates a reflection of our historical agricultural roots, with an 'old school' farm tractor. This will serve as a foundation for artwork and graphic design for the new Coventry Farmers' Market at Hale Homestead. Thanks to the talented Sue Muldoon of [Sue Muldoon Images](#) for this work.

The Town will be inviting **all** 2015 Farmers' Market vendors to participate in the 2016 Market. Communication will be sent out directly to the vendors with a request to respond to the Town to confirm interest. Formal applications will be requested and processed at a future date.

The Market Master job description has been developed and will be considered at the Town Council's September 8th meeting. Once the description is accepted by the Council, the hiring process will begin. If you would like to receive an alert when the job is posted, you can subscribe to job postings through the [Notify Me](#) section of the Town website. Scroll down to Government Jobs and click the icon next to "General Administration." Please be sure to click on the verification link in your email to activate your subscription.

The Volunteer Forum that was held on August 31 was well attended and many great ideas were shared about volunteer and Market needs during the Market season as well as off-season. The notes that were collected at the forum can be viewed [here](#).
