You don't often get email from sanbomalibu@yahoo.com. [Learn why this is important](#)

Ms, Leech,

Our names are Amy Sanborn and Joshua Sanborn and we are reaching out to you today in regards to the certified letter that we received regarding the Tardiff Poultry Farm. Unfortunately we will not be able to attend but we wanted to say our peace.

I can assure you that having a small local business representing our town is a better option than the alternative. I believe they should remain as they are a proactive members of this community and continue to highlight the importance of small businesses in Connecticut

Thanks for you time  
Amy Sanborn and Joshua Sanborn
