## I need to do my Tax Returns! How can I get the amount I paid for town taxes last year?

You can look-up on-line the taxes you paid using these simple steps:

1. Go to coventry-ct.gov and click "Online Bill Pay" or "2025 Tax Payment History".

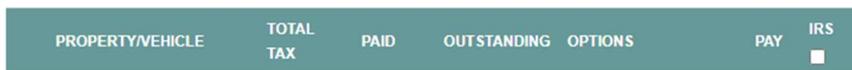

2. Type in your last name followed by the initial of your first name (no punctuation required). Name must match how it is spelled on your bill(s) or your information will not be found.

3. Check "IRS Payment Records for Year 2025". Then hit "Search".

4. When your account(s) are on the screen, check "IRS" on the top right of the green toolbar.

5. You will then see a button "View IRS", which will give you a printable document. Right click on the screen to print.
