Subject: (EXTERNAL MESSAGE)Housing Suitability Analysis Schedule - Coventry

Good morning Jana,

Coventry has been selected for a housing suitability analysis!

We have finalized the schedule for when each housing suitability analysis will begin. Because our consultant, Goman + York, will be conducting analyses for 13 towns, in addition to three analyses already underway, the start dates have been staggered over the next seven months. **Coventry (3453 Main Street / school property) is slated to start in August**, but Goman + York will want to schedule an earlier initial meeting with you sometime before the end of May.

In the meantime, please let me know if you have questions. We look forward to working with you,

Heidi
