5101 BOOTH-DIMOCK MEMORIAL LIBRARY

PROGRAM DESCRIPTION

The Booth & Dimock Memorial Library Association is a private nonprofit corporation which has been providing free library service to Coventry residents for over 100 years. Its collection of books, magazines, reference sources and other media provide literature, education, information and entertainment for children, teens, and adults. Library staff facilitates access to these materials, information, computers and reference services keeping the library open forty-three hours a week. Over 60% of Coventry residents have active library cards and an additional 1,900 out of town residents also use the Library.

PROGRAM COMMENTARY

In addition to providing materials and services to help Coventry residents with their informational, educational, cultural, and creative needs all free of charge. The Booth & Dimock Memorial Library offers year round literacy, developmental and informational programs for children, teens, and adults, as well as access to a maker space to encourage learning-by-doing.

Circulation of materials is decreasing; however, 41,565 materials were recorded as being used in the library without being borrowed was recorded last year. This noticeable increase in library usage is further corroborated by the climbing attendance for daily services which include computer usage, Wi-Fi access, and community programs (summer reading, early literacy initiatives, and technology assistance). Off-site services and materials are also provided to daycares, preschools, and homebound individuals. Continuing to reach more of the community as well as improve services to tweens are among our priorities for the current year.
