

Debt Service

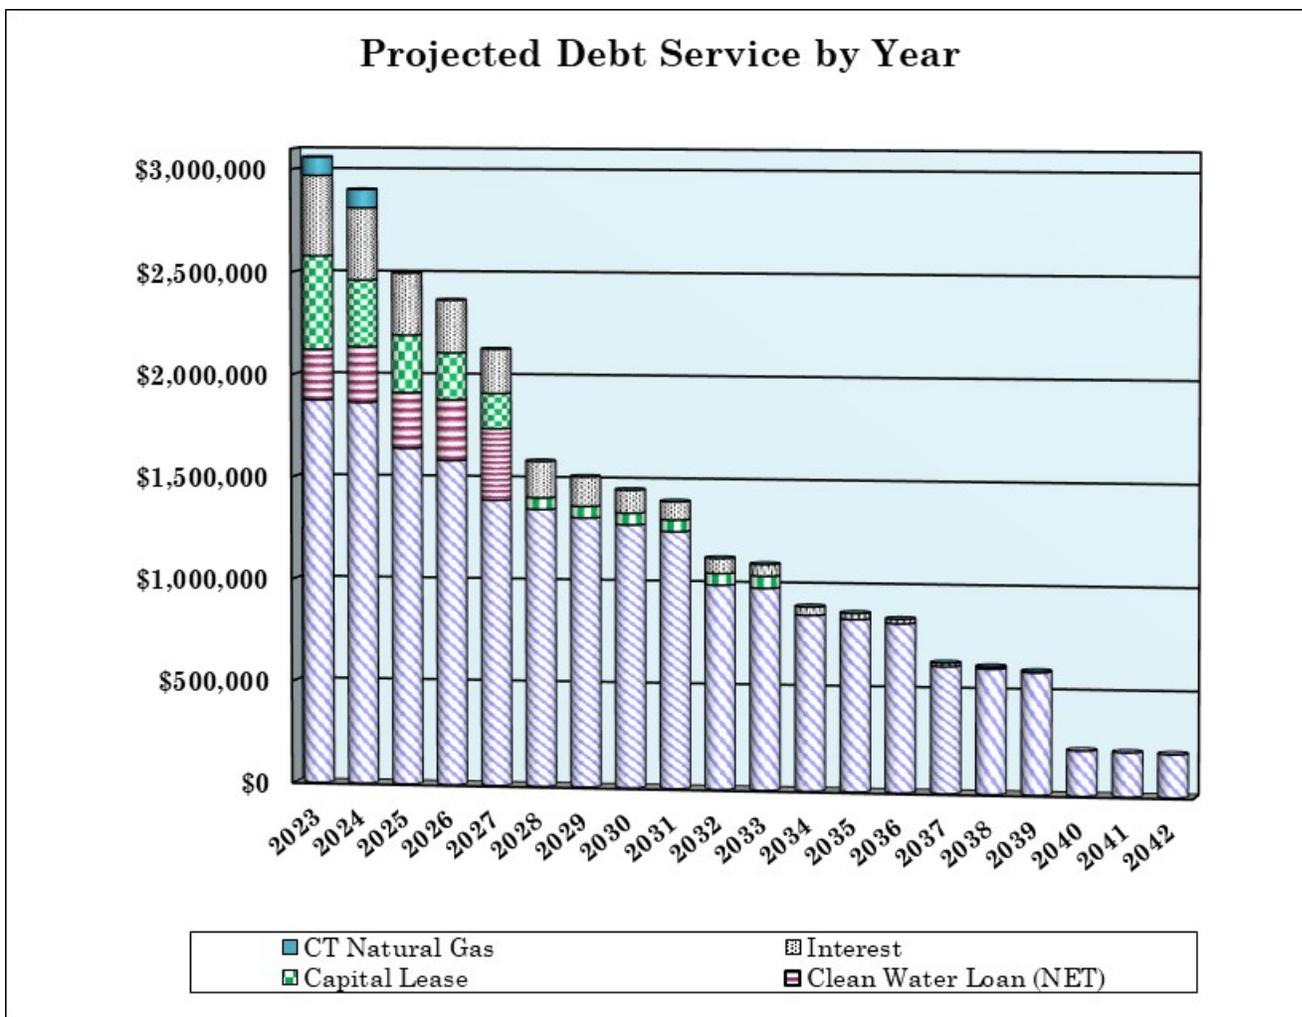

PROGRAM DESCRIPTION

This account shows the cost of principal and interest payments on all outstanding and anticipated long and short-term notes for Town and School purposes. It also includes the short term financing referred to as lease purchasing for capital equipment.

PROGRAM COMMENTARY

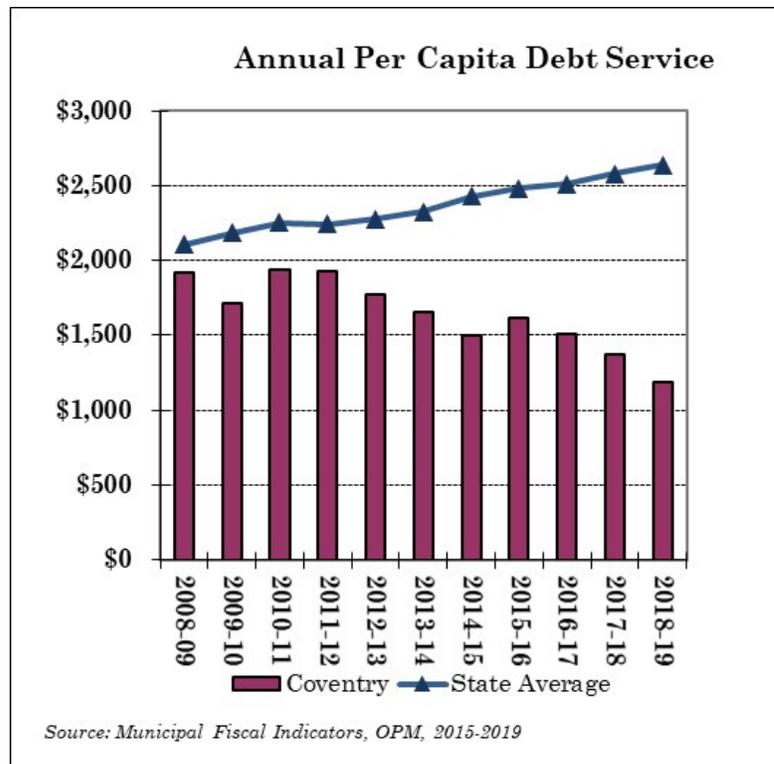

The Debt Service budget shows an increase of \$190,756 for the upcoming fiscal year in comparison to the FY 2022 budget, due to the projected issuance of debt for the library renovation (\$750,000), school roof replacement (\$3,105,000) and softball field (\$325,000). Payments of debt are offset by revenues of \$355,000 from the Sewer Assessment fund.

Outstanding and new lease purchases are included in this budget category since the IRS views them as debt payments. The budget proposal includes the purchase of a small dump truck (5-year lease for \$20,000 annually).

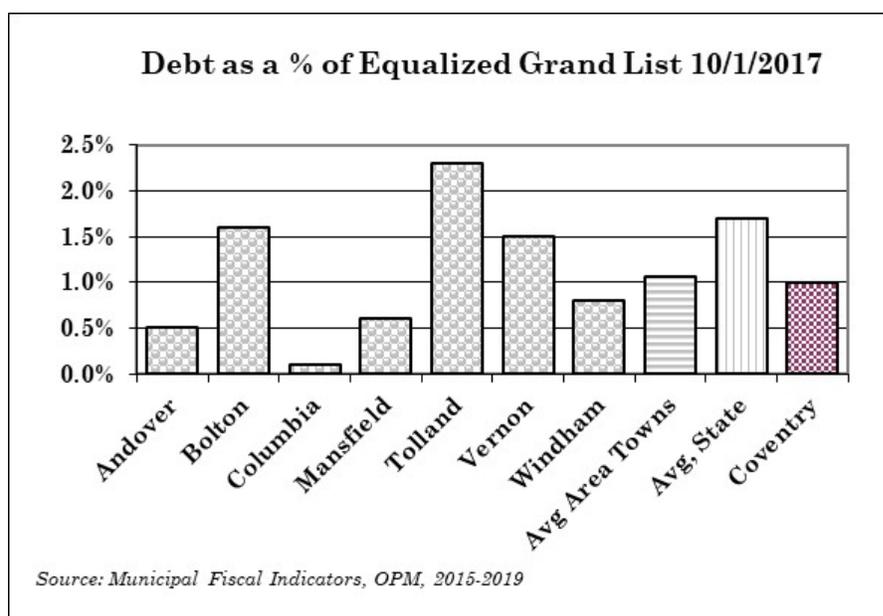

9101 DEBT SERVICE (Continued)

Debt service continues to reduce as the debt incurred to pay for school remodeling and expansion begins to decline. In fiscal year 2018-19 the town ranked 118 out of 169 municipalities when comparing annual debt per capita. Annual debt service per capita amounts are shown on the chart below.

The following chart shows the comparison of long-term debt as a percentage of Grand List for Coventry, area towns and the State average.
