

Debt Service

9101 DEBT SERVICE

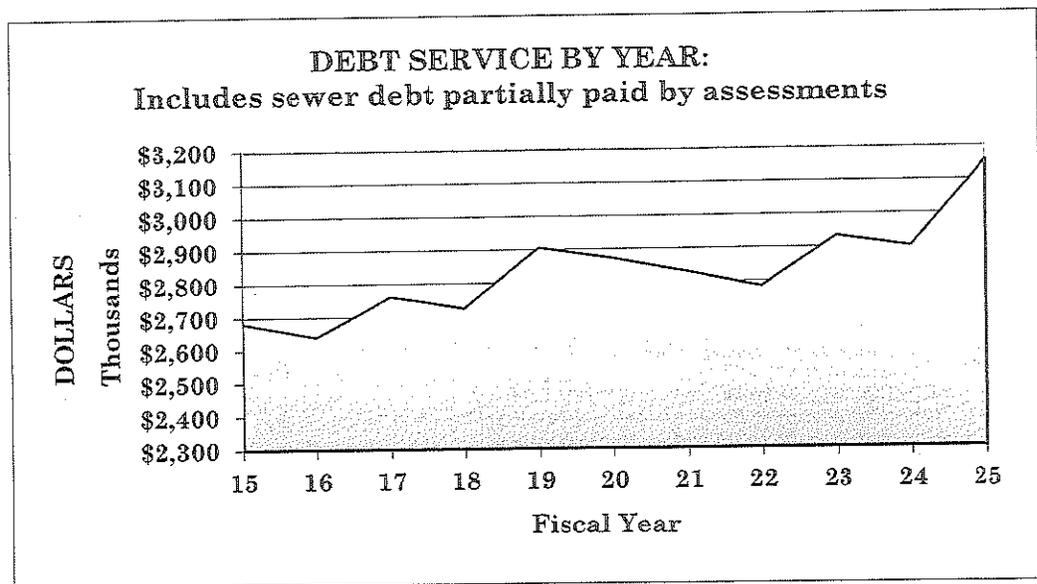

PROGRAM DESCRIPTION

This account shows the cost of principal and interest payments on all outstanding and anticipated long and short-term notes for Town and School purposes. It also includes the short term financing referred to as lease purchasing for capital equipment.

PROGRAM COMMENTARY

The Debt Service budget shows an increase of \$247,576 for the upcoming fiscal year in comparison to the FY 2024 budget. Payments of debt are offset by revenues of \$355,000 from the Sewer Assessment fund.

Outstanding and new lease purchases are included in this budget category since the IRS views them as debt payments. The budget proposal includes the purchase of a small dump truck and in-car police cameras.
